## KEY SUPPORT ACTIVITIES

- Accreditation of TASS Bns and individual courses
- Process and manage all travel orders (240 EA)
- Assist TASS Bn in accomplishing their mission
  - Track resolution of higher headquarters issues (HHIs)
  - Conduct instructor certification program in conjunction with USAIS
  - Serve as Subject Matter Experts
  - Provide professional development for instructors / cadre.
  - Assist in corrective actions, coord, avail, and distribution of training products
- Liaison between TASS Bns and USAIS schools
- Serve as member of instructional self-evaluation teams
- Critique classroom and field instruction
- Provide feedback to USAIS and TASS Bn chain of command
- Track resolution of Course Issues – Updating courseware/lessons
  - CMP issues (USAIS vs. NGB)
  - Waivers (USAIS vs. NGB)
- Enforce the One Army standard (Courses through Lessons)

# INFANTRY-ALIGNED BRIEF ISSUES

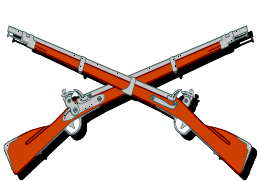

- **Accreditation Visit Issues**

- Accreditation visit to all Annual Training
  - **Issue:** Too many two week (AT) courses
- Accreditation visit to 1/3 of trng sites = States
  - **Issue:** Identifying state weakness vs. Regional Bn
- Accreditation of additional aligned courses
  - **Issue:** Manpower vs. time = shortages

- **Other**

- TRADOC's one standard: CMP = POI
  - **Issue:** 2 week + course is different (39 vs. 245)
- Proponent Reserve Component course management
  - **Issue:** Is not happening

# INFANTRY-ALIGNED BRIEF

## PARTIAL SOLUTIONS

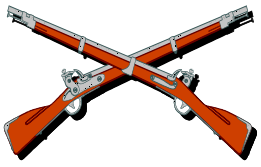

- **SACG-NGB**

- Manage all NG TATS-Courses / courseware
- One stop shop for all TATS-C courseware
- Owns NG TATS-C ASAT edit = owns courseware
- All courses (Accelerated, LLC, etc.)
- Official / approved changes – may be too easy

- **ASAT**

- ASAT is the USAIS standard – TRADOC
- Massive Database with all data
- POI, TSP, Lesson Plans, Equipment...
- Update lessons plans (tracking / dissemination)
- Living CMP vs. new CMP
